HOW TO BE HEALTHY...
 BOOK OF HEALTH. BY DR. JAMES DAZOULOUTE

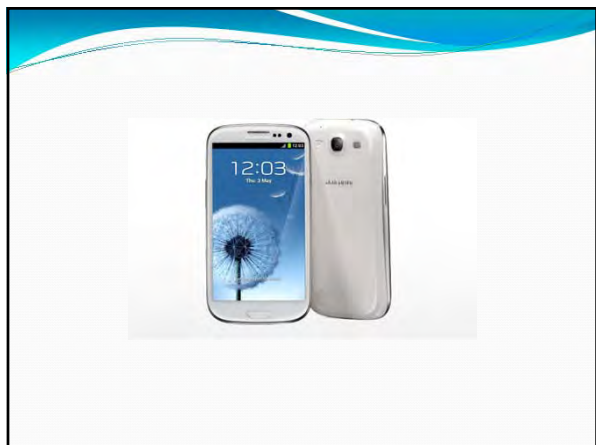

YOU MUST FIND THE CURES FOR ALL YOUR SICKNESSES... I SHOW YOU.

iPhone 4 S

Dual-core A5 chip, 8MP iSight camera, iOS 5 and iCloud. And introducing Siri. It's the most amazing iPhone yet.

A healthcare revolution.

iPad is transforming healthcare. With instant-on power and a full-day battery, iPad gives doctors the power to provide faster, better care anywhere. Apps on iPad connect securely to electronic health records, manage paperless prescriptions, and enhance patient interactions with visual examples and explanations. And medical students and professionals can quickly refer to on-demand educational and reference materials throughout their day.
