ASSOCIATION OF NIGERIAN PHYSICIANS IN THE AMERICANS

22ND ANNUAL CONVENTION
DELIVERING HEALTHCARE THROUGH A MULTIDISCIPLINARY TEAM APPROACH

JUNE 22-26, 2016 // CAESARS PALACE // LAS VEGAS, NV
Welcome Address from the National President

Welcome to the 22nd Annual convention of the Association of Nigerian Physicians in the Americas. This year’s convention is special because it is a joint convention with our Pharmacy colleagues under the professional association - NAPPSA - and with participation of the leadership of Nigerian Nurses - NANNNA. This gives us a rare opportunity to discuss how to work collaboratively as a team in delivering healthcare. Hence this year’s convention theme: Delivering Healthcare through a Multidisciplinary Team Approach.

We are grateful to be joined, in this convention, by the Minister of Health, The Chairman Senate committee on Health, The Executive Secretary National Universities Commission (NUC) and the Registrar of the Medical and Dental Council of Nigeria (MDCN). We also have representatives from Nigerian Medical Association (NMA), MANSAG and CANPAD- our sister physician professional associations in Nigeria, United Kingdom and Canada respectively.

We have a robust convention offering more than 19 CME credits and featuring topics around team work in healthcare, barriers to improving healthcare in Nigeria and successes and challenges of diaspora physicians in setting up healthcare facilities in Nigeria. This year we have continued our Healthcare Leadership and Management series with a leadership workshop focusing on Boundary Crossing Leadership and aspects of Emotional Intelligence and Leadership. The Leadership session will be concluded by some selected Leaders in Healthcare sharing their leadership journeys. Additionally, there is a planned special session on Health with NUC, MDCN, CHANNELS TV, and SENATE COMMITTEE on Health.

As in previous years, we have the ANPA Golf classic, Ladies Hat and Tea Event and Zumba. This year, there is a special Mixer for young professionals on Friday hosted by NAPPSA, DNPT, and ANPA Houston chapter. Do not forget the Alumni meetings. Please attend and support your Alma Mater, if you do not have an Alumni meeting, please go and support any Alumni of your choice, as this is a strategic way to help drive Healthcare Improvement in Nigeria.

During the last 2 years as the President, we have been focused on the vision I shared during my inauguration. This vision was in 4 strategic focused areas- 1: Membership Growth and Retention; 2: HealthCare Advocacy, 3: CPD (Continuous Professional Development) program in Nigeria 4: Local Community Engagement. We have inaugurated 6 ANPA Chapters in the last 2 years- Phoenix, Las Vegas, New Orleans, Philadelphia, Houston and Florida!! I want to thank Dr. Mike Etomi, Dr. Julius Kpaduwa, Dr. Johnson Adeyanju, and Dr. Yele Aluko for helping with the inaugurations. Sabrina Brathwaite and the Merrill Lynch team were instrumental to the formation of the new chapters, I thank them immensely. This demonstrates excellent team work.

In April 2016, ANPA was registered as a CPD Provider, by MDCN, in Nigeria. We plan to have a full CPD Program in Nigeria in 2017. We have also continued our world malaria day advocacy programs across the chapters, engaging our local communities. We had our inaugural ANPA WEEK Program- which is a 1-2 week field work period focused on CPD, Medical Mission and Healthcare Advocacy in Nigeria. I want to thank Dr. Abraham Osinbowale, Dr. Cliff Eke and Dr. Barbara Onyia for leading the inaugural ANPA WEEK Program. This program and the three focus areas are key strategies to drive our mission in Nigeria. We have also incorporated workshops in Performance Improvement, Healthcare Management and Leadership in ANPA conventions in the last 2 years. I want to thank the co-chairs of the Program Committee- Prof Scott Emuakpor and Prof Ben Nwomeh.
On behalf of the Association of Nigerian Physicians in the Americas (ANPA) Las Vegas Chapter, I would like to welcome the national executive and members of ANPA as well as all invited guests to Las Vegas the home of the 22nd annual scientific convention. This year’s convention will be the first joint meeting with our pharmacy colleagues (Nigerian Association of Pharmacists and Pharmaceutical Scientists in the Americas-NAPPSA) and promises to address the delivery of healthcare through a multidisciplinary team approach. The scientific sessions and workshops are filled with topics that address the role of the different healthcare disciplines in healthcare delivery in Nigeria given the hierarchical tussles that exist presently.

As you participate in the conferences, workshops and lectures please take advantage of the good food at the hotel buffets and restaurants; enjoy the night life including popular shows on the strip. Finally, do visit the casinos and contribute to our local economy.

I wish to take this opportunity to thank the Las Vegas local planning committee and executives, Drs Chinenyé Ezeanolue, Jerome Nwokike and Evarista Nnadi for putting together a great welcome reception. A special thanks go to Dr. Godwin Maduka for providing us a fabulous venue for the reception. Finally my gratitude goes to the members of ANPA Las Vegas Chapter, the national president, Dr. Nkem Chukwumerije and Ms. Latisha Dutch for their immense support and guidance. Thank you all and welcome to Vegas the city of lights that never sleeps. Viva Las Vegas!!

Anslem Oparaugo, M.D., M.P.H.
Chairman ANPA Las Vegas Chapter
The Association of Nigerian Physicians in the Americas would like to thank the following sponsors for their generous partnership of our meeting through educational grants and in-kind donations.

**Platinum Sponsors: $10,000+**
- Gilead Sciences
- Merrill Lynch/Bank of America
- Iroko Pharmaceuticals
- ID Life

**Gold Sponsors: $10,000+**
- Novo Nordisk
- New York Life

**Silver Sponsors: $5,000**
- Admiralty Homes

**Official ANPA Airline**
- United Airlines

**Welcome Reception Sponsor**
- MD Capital & Wealth Management
MANY THANKS TO THE FOLLOWING EXHIBITING COMPANIES FOR THEIR SUPPORT:

ANPA 2015 ANNUAL MEETING CME INFORMATION
The University of Texas Southwestern Medical Center, the accredited sponsor, is jointly sponsoring this activity with the Association of Nigerian Physicians in the Americas.

TARGET AUDIENCE
This activity is designed for practicing primary care physicians, internists, cardiologists, dentists, psychiatrists, psychologists, podiatrists, nurse practitioners, physician assistants and other allied health professionals.

PURPOSE & CONTENT
The purpose of the annual convention and scientific assembly is to increase the participants’ knowledge related to the challenges facing minority health care providers in the provision of clinical and therapeutic services for diseases and conditions related to oncology, dentistry, mental health, respiratory, digestive, cardiology, and virology services, global health issues in developing countries, as well as technological advances that will impact the practice of medicine.

METHOD
Lecture and formal discussion...
Didactic lectures and mixed presentation methodology on specific clinical topics by medical specialists and interactive audience participatory case vignettes, true/false questions and point-counter-point faculty discussions.

OBJECTIVES
At the conclusion of this activity, the participants should be able to:
1. Employ knowledge of both preventing and responding to natural disasters, epidemics and conflicts.
2. Illustrate how African health care providers need to focus on emergency preparedness to improve patient care and outcomes.
3. Describe current research and trends in epidemics, disasters and conflicts.
4. Recall treatment options and how to make basic treatment accessible to patients in emergent times.
5. Employ newly acquired strategies to assist in improving basic healthcare with regard to epidemic and/or disaster responsiveness.

ACCREDITATION
This activity has been planned and implemented in accordance with the Essential Areas & Policies of the Accreditation Council for Continuing Medical Education through joint sponsorship of The University of Texas Southwestern Medical Center and the Association of Nigerian Physicians in the Americas. The University of Texas Southwestern Medical Center is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 19.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
OFF LABEL USES
Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” uses discussed in the presentations. Speakers have been requested to inform the audience when off-label use is discussed.

DISCLOSURE
It is the policy of ACCME that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker’s presentations. Each speaker has completed and signed a conflict of interest statement. The faculty members’ relationships will be disclosed in the handout.

COURSE DIRECTOR
Professor Ajovi Scott-Emuakpor, MD Ph.D.
Michigan State University
ANPA’S 6TH ANNUAL GOLF CLASSIC
SATURDAY, JUNE 25, 2016
DESERT PINES GOLF CLUB
BREAKFAST – 7:00 AM; TEE TIME – 8:00 AM

Join us for ANPA’s 5th Annual Golf Classic. All proceeds from this fundraising event will go to support the Association of Nigerian Physicians in the Americas (ANPA) in our effort to improve the health and well-being of those in need. ANPA is a non-profit professional medical organization representing more than four thousand physicians of Nigerian descent and empathy, practicing in the United States of America, Canada and the Caribbean.

We engage in charitable activities in our respective local communities through our local chapters as we remain active in supporting emergency relief to those in need. In 2010, ANPA donated over $30,000 to the Haiti Relief Fund, and in 2014 ANPA donated over $90,000 in value of personal protection equipment to Nigeria for the prevention of the spread of the Ebola Virus Disease.

Through our health missions and education activities, we collaborate with government agencies, medical institutions of learning and private organizations to develop and implement practical solutions to health problems in Nigeria.

Our vision is...

A Healthier Nigeria in a Healthier World
