GREETINGS FROM THE PRESIDENT

My fellow physicians, distinguished guests and dignitaries, it’s my great honor and delight to welcome you all to the 23rd Annual ANPA Convention and Scientific Assembly in Atlanta, Georgia.

In line with ANPA’s yearly superb continuing education program, this year theme allows us to tackle the issues surrounding the epidemic of cardiovascular diseases and sudden death, addressing the associated risk factors and other key elements that may offer survival benefits in the management of our patients.

Our program committee chairs and members have taken the time to prepare enriching educational topics with outstanding scientific contents. Our faculties of speakers have been carefully selected to deliver the best evidence based scientific lectures in the managements of cardiovascular illness. We hope you will apply the knowledge gained during this conference to improve your practice performance and obtain greater confidence in providing care for your patients.

Please take solace that as you seek near perfection in your years of professional development, your attendance here is a relevant aspect of continuing learning, knowledge acquisition and intellectual enrichment. ANPA is glad to be a part of your cognitive maturity and we hope that you enjoy every aspect of this convention. During break, please interact with your colleagues, visit our sponsorship booths, enjoy array of scheduled family events and mingle with your beloved friends and classmates.

Finally, all work without play makes Jack a dull boy, so we are looking forward to seeing you on Saturday Night for an event filled Gala entertainment.

Thank you for joining us in realizing our vision of a healthier Nigeria in a healthier world.

WARM REGARDS,
JOHNSON ADEYANJU, MD, FACP, AUTHOR
PRESIDENT AND CHAIRMAN OF THE BOARD OF DIRECTORS
ASSOCIATION OF NIGERIAN PHYSICIANS IN THE AMERICAS
WELCOME ADDRESS FROM CHAIRPERSON, ANPA GEORGIA CHAPTER

Distinguished guest, ladies and gentlemen, good evening to you all. On behalf of the Georgia chapter of ANPA, it is with the utmost pleasure and profound honor that I welcome you to the 23rd annual scientific convention here in Atlanta. Welcome to the ATL! As one of the most vibrant chapter in ANPA, I am indebted to our chapter executives and local organizing committee for their effort towards making this convention a success.

During this year's scientific sessions, our focus is “Combating the Epidemic of Cardiovascular Diseases and Sudden Death”. I encourage you to fully participate and take advantage of the sessions and workshops available at this convention. Our convention also offers the rare opportunities to network and connect with colleagues across all specialties both here in the United States and Nigeria.

As you participate in this great conference, please take advantage of the historic sites around Atlanta and make it a memorable event.

The Georgia chapter remains committed to our combined vision of a healthier Nigeria in a healthy world. We are looking forward to reconnecting with friends while developing new relationships. As we move forward, let us together continue to enhance the health status of our communities through unselfish exchange of ideas.

Again, on behalf of ANPA Georgia, welcome to Atlanta.

Sincerely,

Stanley Okoro, MD, FACS
Chair, ANPA Georgia
STATE OF GEORGIA
OFFICE OF THE GOVERNOR
ATLANTA 30334-0900

Nathan Deal
GOVERNOR

June 24, 2017

To: 2017 Convention & Scientific Assembly of the Association of Nigerian Physicians in the Americas

GREETINGS:

On behalf of the State of Georgia, allow me to extend my warmest regards to the attendees of the 2017 Convention & Scientific Assembly of the Association of Nigerian Physicians in the Americas as you host and otherwise participate in your event.

Please allow me also to welcome your distinguished guests, honorees, their families, and other attendees. We hope for a successful event as you discuss topics relating to your theme “Combating the Epidemic of Cardiovascular Diseases and Sudden Death”.

I send my best wishes for a productive event.

Sincerely,

Nathan Deal

Nathan Deal
Nigerian National Anthem

**Arise, O Compatriots**

Arise, O compatriots,  
Nigeria’s call obey  
To serve our Fatherland  
With love and strength and faith.  
The labor of our heroes past  
Shall never be in vain,  
To serve with heart and might  
One nation bound in freedom, peace and unity.

United States National Anthem

**The Star-Spangled Banner**

O say can you see ‘by the dawn’s early light,  
What so proudly we hailed at the twilight’s last gleaming?  
Whose broad stripes and bright stars through the perilous fight,  
O’er the ramparts we watched, were so gallantly streaming?  
And the rockets’ red glare, the bombs bursting in air!  
Gave proof through the night that our flag was still there.  
O say does that star spangled banner yet wave,  
O’er the land of the free and the home of the brave?
THE ASSOCIATION OF NIGERIAN PHYSICIANS IN THE AMERICAS WOULD LIKE TO THANK THE FOLLOWING SPONSORS FOR THEIR GENEROUS PARTNERSHIP OF OUR MEETING.

PLATINUM SPONSORS: $15,000
GILEAD SCIENCES
RELYPSA, INC.
MERRILL LYNCH
NOVO NORDISK

SILVER SPONSORS: $5,000
WELL STAR HEALTH SYSTEM
FEMAB

WELCOME RECEPTION SPONSOR:
MD CAPITAL & WEALTH MANAGEMENT

Many thanks to the following exhibiting companies:
Boehringer Ingelheim
Gilead Sciences
Homewood Development Properties
Merrill Lynch
New York Life
Novartis
Novo Nordisk
Prescient Medicine
Relypsa
WellStar Health System
Target Audience
This activity is designed for practicing primary care physicians, internists, cardiologists, dentists, psychiatrists, psychologists, podiatrists, nurse practitioners, physician assistants and other allied health professionals.

Purpose & Content
The purpose of the annual convention and scientific assembly is to increase the participants’ knowledge related to the challenges facing minority health care providers in the provision of clinical and therapeutic services for diseases and conditions related to oncology, dentistry, mental health, respiratory, digestive, cardiology, and virology services, global health issues in developing countries, as well as technological advances that will impact the practice of medicine.

Method
Didactic lectures and mixed presentation methodology on specific clinical topics by medical specialists and interactive audience participatory case vignettes, true/false questions and point-counter-point faculty discussions.

Objectives
At the conclusion of this activity, the participants should be able to:
1. Recognize the effects of undiagnosed advanced cardiac terminal illnesses and provide probable causes and preventive care
2. Identify unexpected sudden death natural causes from illnesses both known and unknown
3. Describe current research and trends in sudden cardiac death
4. Employ preventable healthcare to decrease sudden death chance factors and promote patient awareness and safety
5. Explore risk factors to formulate recommendations to reduce the risks

Accreditation
This activity has been planned and implemented in accordance with the Essential Areas & Policies of the Accreditation Council for Continuing Medical Education through joint sponsorship of The University of Texas Southwestern Medical Center and the Association of Nigerian Physicians in the Americas. The University of Texas Southwestern Medical Center is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 18.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Off Label Uses
Because this course is meant to educate physicians with what is currently in use and what may be available in the future, there may be “off-label” uses discussed in the presentations. Speakers have been requested to inform the audience when off-label use is discussed.

Disclosure
It is the policy of ACCME that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speaker’s presentations. Each speaker has completed and signed a conflict of interest statement. The faculty members’ relationships will be disclosed in the handout.

Course Director
Professor Ajovi Scott-Emuakpor, MD Ph.D.
Michigan State University
DISCLOSURE OF COMMERCIAL INTEREST

As an organization accredited by the Accreditation Council for Continuing Medical Education (ACCME), The University of Texas Southwestern Medical Center, Office of Continuing Medical Education (UTSW CME) requires that the content of CME activities and related materials provide balance, independence, objectivity, and scientific rigor. Planning must be free of the influence or control of a commercial entity, and promote improvements or quality in healthcare. All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. The ACCME defines “relevant financial relationships” as financial relationships in any amount occurring within the past 12 months that create a conflict of interest. The UTSW Office of CME has implemented a mechanism to identify and resolve all conflicts of interest prior to the activity. The intent of this policy is to identify potential conflicts of interest so participants can form their own judgments with full disclosure of the facts. Participants will be asked to evaluate whether the speaker’s outside interests reflect a possible bias in the planning or presentation of the activity.

Faculty Disclosures
The following faculty reported to have relevant financial relationships and/or intends to discuss the use of off-label or investigational use of products (all persons in control of content not itemized below reported no relevant financial relationships):

<table>
<thead>

Disclosure of Unlabeled Uses
This educational activity may contain discussion of published and/or investigational uses of agents that are not approved by the U.S. Food and Drug Administration. For additional information about approved uses, including approved indications, contraindications, and warnings, please refer to the prescribing information for each product, or consult the Physicians’ Desk Reference.

GENERAL INFORMATION

Evaluations and Certificates
Evaluations are an important tool for assessing the effectiveness of this activity as well as for planning future activities. A link to the conference evaluation will be emailed to you at the conclusion of this activity. We value your feedback.
CME Certificates will be available after completion of the online evaluation. If you have any questions regarding your certificate you may direct them to: cmeregistrations@utsouthwestern.edu

Americans with Disabilities Act
We take pride in ensuring that our events and functions are accessible to all attendees with special needs. All meeting rooms are wheelchair accessible. Should you require special arrangements, please contact UT Southwestern staff at the Registration Desk.

Disclaimer
This symposium has been planned to be well-balanced and objective in discussion of comparative treatment regimens, and the symposium format allows for the free scientific exchange of ideas. Information and opinions offered by the speakers represent their viewpoints. Conclusions drawn by the audience should be derived from careful consideration of all available scientific information.

Mobile Phones/Pagers
As a courtesy to the speakers and your fellow participants, please turn off all mobile phones/pagers during this continuing education lecture.
