Join us for ANPA's 10th Annual Golf Classic. All proceeds from this fundraising event will go to support the Association of Nigerian Physicians in the Americas (ANPA) in our effort to improve the health and well-being of those in Nigeria without access to adequate healthcare. ANPA is a nonprofit professional medical organization representing more than four thousand physicians of Nigerian descent and empathy, practicing in the United States of America, Canada and the Caribbean.

We engage in charitable activities in our respective local communities throughout the United States through our local chapters as we remain active in supporting emergency relief to those in need. In 2010, ANPA donated over \$30,000 to the Haiti Relief Fund, and in 2014 ANPA donated over \$90,000 in value of personal protection equipment to Nigeria for the prevention of the spread of the Ebola Virus Disease.

Through our health missions and education activities, we collaborate with government agencies, medical institutions of learning and private organizations to develop and implement practical solutions to health problems in Nigeria.

Our vision is...

A Healthier Nigeria in a Healthier World
